Dear Ms. Santos:

This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2015-000073), dated October 20, 2014, in which you requested a copy of the following documents identified to GS04Q14DBC0033: 1. Contract with SOW/PWS, 2. Modifications, 3. Winning Proposal.

In response to your request, we are releasing the Performance Work Statement (PWS), Winning Offeror's Pricing Proposal, Award Document SF1449, and Modification 01 Form 30. However, we have withheld some elements on these documents/forms:

- a. The ACT/Requisition Number and Accounting and Appropriation Data have been redacted from the Award Document SF1449. This partial denial is based on the second statutory exemption under the FOIA which permits an agency to withhold information related solely to internal personnel rules and practices of the agency (5 U.S.C. 552(b)(2)).
- b. The line item pricing strategy and proposed amounts for option years and optional line items prior to award of the option have been redacted from the documents (Winning Offeror's Proposal and Award Document SF1449). This denial is based on the fourth statutory exemption under the FOIA which permits an agency to withhold commercial or financial information that is privileged or confidential (5 U.S.C. 552 (b)(4)).
- c. The Winning Offeror's Technical Proposal has been withheld in full. This denial is based on the third statutory exemption under the FOIA which permits an agency to withhold information specifically exempted from disclosure by statute (5 U.S.C. 552(b)(3)) [reference FAR Subpart 24.202(a) and 10 U.S.C. 2305(g)] and the fourth statutory exemption which permits an agency to withhold trade secrets and commercial information that are privileged or confidential (5 U.S.C. 552(b)(4)).
